

AMENDMENTS TO THE SPECIFICATION:

Please amend the specification as follows:

On page 13, please amend the paragraph beginning on line 9 as follows:

Said single solutions could be provided in different compartments in a multi-compartment bag, and the mixing could be provided by having the different compartment sealingly coupled by frangible pins, which different pins could be broken in order to mix the content in optional compartments within the multicompartment bag. The mixing could further be provided by having a peel seal in between the different compartments, which peel seal could be peeled in order to mix the content in the different compartments. ~~Two examples of multi-compartment bags are shown in figs. 5 and 6.~~
